About This Content

OblivAeon itself has manifested on Earth in this timeline in order to destroy all realities and timelines. One way or another, the Multiverse ends here!

OblivAeon is a **mega-expansion** that provides a completely new final boss scenario. Five villains-turned-hero must join the other Sentinels and work together to save the Multiverse from its greatest foe!

OblivAeon includes fourteen new decks to expand your gameplay options:

- Heroes: **Akash'Thriya, La Comodora, The Harpy, Lifeline, and Luminary**
- OblivAeon Scenario: **OblivAeon Deck, Scion Deck, Aeon Men Deck, Mission Deck**, and more
- Environments: **Champion Studios, Fort Adamant, Maerynian Refuge, Mordengrad, and Nexus of the Void**

Tip: Save money and get [Season Pass 2](#), which includes this pack and many other expansions.
